

The U.S. Government has NO Accurate Numbers of Covid-19 Cases ANYWHERE!

They're Making Them ALL UP!!!

Lorraine Day, M.D.

The U.S. Government, and all the various State Health Directors, are making up ALL their Covid-19 numbers as they go along. This is ALL being done by Computer Modeling. None of the numbers are related to reality – at all!

Having been a physician for 25 years in San Francisco, including many years in Academic Medicine, almost a decade of which occurred during a major epidemic – the AIDS epidemic - in a city in which that disease exploded, I can tell you for certain that the Covid-19 numbers that everyone is being told by the supposed health “authorities” are nothing but FICTION – COMPLETE LIES!

From the problems with those doing the supposed testing (sticking the long cotton-tipped stick into your sinuses – almost into your brain – which is totally unnecessary), to the problems with those performing the actual tests, to the reliability of the tests, to the reporting of the numbers to the “authorities”, to the compilation of those numbers by government functionaries, whether state or federal; IT'S ALL A JOKE! IT'S ALL A LIE!

As I've said repeatedly, this whole completely FAKE “pandemic” is nothing more than a cover for bringing in a One World Satanic Government controlled by Communist Bolshevik Jews, with the Rothschilds at the top, whose goal is to destroy Christians and every vestige of Christianity from the face of the earth, by exterminating 6 BILLION Gentiles!

Doctors are the WORST group at reporting numbers. They rarely report drug complications. They almost NEVER report complications of vaccinations because they are told by the drug companies that vaccinations are Safe. So, unless a person drops dead within 2 minutes of receiving a vaccination in the doctor's office, whatever complications that person may suffer – are NOT due to the vaccinations – or so doctors are taught.

Having worked in the system for a quarter of a century, in private hospitals, public hospitals, and state university hospitals, as well as working with the CDC, I know from personal experience, Doctors do NOT report numbers!!

Furthermore, the government doesn't need accurate numbers, because their goal is NOT to "protect you" from disease – **since the Corona Virus causes nothing more than the Common Cold** – their goal is to terrify you into taking the vaccination which is a major part of their plan to MURDER you – under the guise of "helping you."

The government doesn't give a rip about your health! They actually want you DEAD!

So, the government essentially picks their numbers out of the air. They picked the Common Cold as the "disease of choice" for their world-wide scam, so they can pull this stunt over and over, year after year, or even every 6 months. They can lock down the whole world because - - - "Oh, mercy me! - - - Here comes that frightful (Common Cold) virus AGAIN! - - and AGAIN!"

This is a CONTROL MECHANISM by the Communist Jews: the Rothschilds, Rockefellers, George Soros, Bill Gates, and yes, even Donald Trump – a Jew, himself, who will do what the Rothschilds tell him to do.

This lockdown has nothing to do with health or disease!

What's coming next?

1. Total Anarchy, as you already have begun to see, with the Jew-funded Black Lives Matter and Antifa. Chaos and destruction of property. Making the U.S. into a Third World country.
2. Civil War – with blacks and whites killing each other.
3. Famines – They are already plowing under farm produce, shutting down meat-packing plants, and destroying the entire food chain in America.
4. Severe Rationing of food for those who have not yet died of starvation.
5. Massive unemployment – to put most of the population into abject poverty
6. The worst depression the U.S. has ever seen – far worse than 1929
7. Open Season on White People because the Jews HATE White people. Jews do NOT consider themselves "white" – they're "JEWS" – and superior, they believe, to every other race! In reality, Jews are actually afraid of White People because White People have been the originators of the most successful societies and cultures in earth's history, and the main reason for that success is that White people have been, at least in the past, the major promoters of Christianity.
8. Forced DANGEROUS vaccinations for everyone – every year!
9. A Cashless Society, so the government can track everyone's finances and confiscate from your bank account whatever they want
10. Redistribution of wealth world-wide, so Americans, and others who live in other First World countries, will have everything that they have worked for, taken from them, and given to those in the U.S. and in other countries, who do not want to

work. This is what the Jews call “equality.” Of course, the Jews will continue to maintain their enormous fortunes. “Equality” doesn’t apply to them!

11. Chip everyone to follow – and eventually – control their every move.
12. Massive increase in property taxes, so most people will not be able to afford a home, and will have their property confiscated.
13. Eventual abolition of ALL private property.
14. Elimination of all automobiles except for the elite. Everyone will be on bicycles, which they will rent by the hour at sidewalk rental sites.
15. All the population will be forced into the cities, to live in tiny apartments in high-rise apartment buildings, where there will be a government agent on every floor, keeping track of your every movement, and keeping track of everyone who visits you.
16. Gun confiscation from all individuals, and disarmament of every country in the world.
17. Slaughter of Christians and the Destruction of Christianity – and all goodness in the world.
18. A Social Credit system like China – for absolute control of the population. If you say ANYTHING bad about your totally corrupt government, you will not be able to work, or even buy food. They will MAKE SURE that you STARVE to DEATH!
19. Elimination of Healthcare – UNLESS – you do what you are told. Even then, unless you’re between the ages of 15 and 55, you will receive NO healthcare, because you are a “Useless Eater” (their term for you) who does not contribute to the tax base. The taxes paid by every American go directly into the hands of the owners of the Federal Reserve Bank system – who are all Jews!
20. Federal laws making it a crime, punishable by prison or death, to 1) own a Bible, 2) read a Bible, 3) tell someone else about what is in the Bible.
21. Burning of ALL books about Christianity or about the Bible.
22. Federal laws giving a death sentence to anyone who exposes the evil plans of the Jews, including questioning the Jewish version of the supposed ‘Holocaust.’
23. Population Extermination of Six Billion Gentiles in the world.
24. Forced worship of Satan (who will be called, Lucifer)

THAT is what’s coming next! If you don’t believe it, just watch – and wait!
