

# Is the “War” between Ukraine and Russia

## REAL or FAKE?

**Lorraine Day, M.D.**

Billions of dollars of equipment and munitions have been sent to Ukraine from the U.S., the U.K. and other countries. If the “War” is REAL, there should be Devastation somewhere? But that doesn’t seem to be true. We are shown a damaged building here or there (and no one can actually PROVE that the building is even in Ukraine), but nothing major. That’s not much to show for a “war” that has been going on for at least 6 months! REAL WARS produce Damage!

In addition, articles on the internet say that Zelensky is selling these munitions on the Black Market. Maybe so, maybe not! How would we now with the Media owned by the same people that could be producing the FAKE war!

Why would the (hidden) Global Government want to FAKE a war between Ukraine and Russia?

- 1) Both Zelensky and Putin are JEWS who hobnob with Jewish rabbis regularly. (Both the U.S. and the U.K. are run (from behind) by the JEWS – as is the Global Government – run by the JEWISH Rothschilds. Why would they want to Jewish-run countries to fight each other?

- 2) Sending Billions of dollars of military supplies from countries that started out mainly as White countries (U.S., U.K, Scandinavian countries) decreases enormously the ability for those countries to defend themselves in case of an attack from Russia or China (both Jewish-run COMMUNIST Countries).
- 3) Sending Billions of dollars of military supplies to Ukraine INCREASES enormously the tax burden on the countries who do so, in case of war in their own country, weakening them even more.
- 4) Constant derogatory statements about Putin by U.S. and U.K. government leaders can have the effect of turning Putin into the “good guy.” It is well-documented that the elitist bankers were publicly “against” the adoption of the Federal Reserve Bank by the U.S. in 1913, to PURPOSELY “encourage” the rank and file population of the U.S. to vote FOR the legislation (because the people didn’t trust the elitist bankers). And it worked! The people were deceived – and the Federal Reserve Act was passed! Are the people being deceived again?
- 5) Putin and Russia are NEVER characterized as Communist by the U.S. Press, but nothing has changed from the old days of Stalin. When the Berlin wall came

down and the Soviet Union was supposedly dissolved under Mikhail Gorbachev, Gorbachev gave a speech to his Politburo saying,

“Don’t be concerned about Perestroika (restructuring the system OUT of Communism) and Glasnost (increased openness and transparency). NOTHING HAS CHANGED! This is just to DECEIVE the Western powers into thinking that ‘Communism is Dead.’

- 6) Most people alive today don’t have any knowledge of the horrors of Communism from the days of the Soviet Union Gulags (prisons and their severe persecution), and even what is happening in China today. They have been taught by Communist professors in U.S. universities that Communism is “GOOD.” That it is a system that “cares for the rank and file people.”

But Communism is JEWISH! The Bolshevik Revolution In Russia under (JEW) Lenin and (JEW) Stalin was composed of 75-80% JEWS, with a few DECEIVED Gentile hangers-on! Communist Jews HATE the Gentiles and all the “little people.” Their “holiest” book, the Talmud says:

“Even the best of the Gentiles should ALL be killed.”

So, please show me the “War Damage” that can account for BILLIONS of dollars of munitions and military equipment coming from numerous countries to Ukraine to fight this “War”!

This appears to be just another way for the JEWS to weaken – and Genocide the White Race!
